

Results: North American Sprint SSB — September 2011

We received 101 logs for this running of the phone Sprint, the most since September 2008. Various Sprinters prior took pains prior to the contest to re-energize activity, and it seems to have worked, since activity and scores were up. The results also produced some of the closest races in a long time — and a few ties. Some less-common multipliers turned up during the event, including VE1, VE2, VE8, Nebraska, Dominican Republic and Guatemala.

High Power

George, NR5M, squeaked by Bob, KW8N, for his second HP SSB Sprint win. George logged six more contacts than Bob, but Bob had one more multiplier. If Bob had logged just one more contact, he would have edged out George by 19 points. Scott, KA9FOX, continued his recent strong performance in the SSB Sprint by finishing third, W7WA placed fourth, and N2UT followed in fifth. Rounding out the High Power Top 10 were W9RE, WDØT, W6OAT, KU5B, and K6XX. Appearing in the Top 10 for the first time were N2UT, W6OAT, K6XX, and KU5B, who accomplished the rare feat of finishing in the overall Top 10 while running low power.

Low Power

Bob, KU5B, took top Low Power honors from Texas. It was his first LP win. Easily finishing second was WØETT. There were some close finishes in the rest of the Low Power Top 10. With only an 8 point advantage, KØAD edged KK1KW for third. NA4K finished fifth, while KB9OWD and NA4BW tied for sixth place. NV7S finished eighth, and WW9R, WØBR, and N8NA all tied for ninth. This marked the first time in the Top 10 for KK1KW and KB9OWD

QRP

Winning the QRP category for the first time was W6YX. Following up were KE3C, NDØC, KU4A, and WQ8RP. It was the first time in the QRP Top 10 for KE3C, KU4A, and WQ8RP.

Golden Logs

Submitting Golden Logs with 40 or more contacts were AA7V, N9FC, W2AJW, K1IMI, AL9A, and K1JB. If you want a copy of your log checking report (LCR), e-mail ssbsprint@ncjweb.com.

Records

W6YX, KE3X, and KU4A established new QRP area records. If anyone wants an *Excel* spreadsheet of the current records, e-mail ssbsprint@ncjweb.com.

Team Competition

The NCCC #1 team took top team honors, with SMC #1 team a close second. Rounding out the top five team scores were DFW Contest Group, Arizona Outlaws, and Grand Mesa.
